- 3.) When prompted, enter the Participant Security Code: 4691

Approximately one week prior to the pretrial conference, the Court, via e-mail, will again notify the parties of the access and security codes required to connect with the telephone conference. Questions may be addressed to the courtroom deputy at 937-225-7684.

Each person participating shall be prepared to specifically discuss the contents of the filed Preliminary Pretrial Statements, including a date for the cut-off of all discovery, a date for the filing of all stipulations, a date for the exchange and filing of all witness lists and exhibits, each party's position as to whether or not an evidentiary hearing will be required for the resolution of this proceeding, a date for the filing and exchange of any briefs, a date for a final pretrial conference, and a trial date, if required.
